Explanatory Note

For the cheaper and quicker local transport and also as a measure to reduce health hazards of rickshaw pullers, it is proposed to permit the use of motorised cycles and motorised cycle rickshaws for the transport of passengers and goods. Following

incentive measures adopted by certain other States, it is also proposed that 50% concession may be given in fees, charges and taxes in the case of these categories of vehicles. For this certain amendments have to be effected to the relevant rules of the Kerala Motor Vehicles Rules and exemption/reduction in tax accorded regarding the payment of taxes. This is intended to achieve the above purpose.
